## **Luminous Airplanes A Novel:**

**Luminous Airplanes** Paul La Farge, 2025-05-21 A New York Times Book Review Editors Choice A decade after the publication of *Haussmann or the Distinction* his acclaimed novel about nineteenth century Paris Paul La Farge turns his imagination to America at the dawn of the twenty first century in *Luminous Airplanes* In September 2000 a young computer programmer comes home from a festival in the Nevada desert and learns that his grandfather has died He must return to Thebes a town so isolated that its inhabitants have their own language and clean out the house where his family has lived for five generations While he s there he remembers San Francisco in the wild years of the Internet boom and begins an ill advised romance in which past and present are dangerously confused La Farge s *Luminous Airplanes* is an expansive hugely imaginative and very funny novel about history love memory family flying machines dance music and the end of the world

**Luminous Airplanes** Paul LaFarge, 2011-09-27 After his grandfather dies a young programmer must go back to Thebes a town so isolated that the residents have their own language and soon begins a romance with an old flame and reflects on other ghosts of the past By the author of *Haussmann or the Distinction* 15 000 first printing *Luminous Airplanes* Paul LaFarge, 2012 Even a wrong turn leads somewhere It s the year 2000 and a young man learns that his grandfather has died He is faced with a choice should he return to the family home in upstate New York for the last time Or simply let his twin mothers Marie Celeste and Celeste Marie throw all his grandparents possessions away Going back would mean the chance of meeting again with childhood sweetheart Yesim and finding out what really happened to his mysterious father the charismatic Richard Ente But the past has a way of turning into a messy present and every choice has repercussions felt long after it is made Exposing the fragility of love sanity and family *Luminous Airplanes* resonates with the echoes of repeated mistakes and the hope that one day things could be better

**Interactive Digital Narrative** Hartmut Koenitz, Gabriele Ferri, Mads Haahr, Diğdem Sezen, Tonguç İbrahim Sezen, 2015-04-10 The book is concerned with narrative in digital media that changes according to user input *Interactive Digital Narrative IDN* It provides a broad overview of current issues and future directions in this multi disciplinary field that includes humanities based and computational perspectives It assembles the voices of leading researchers and practitioners like Janet Murray Marie Laure Ryan Scott Rettberg and Martin Rieser In three sections it covers history theoretical perspectives and varieties of practice including narrative game design with a special focus on changes in the power relationship between audience and author enabled by interactivity After discussing the historical development of diverse forms the book presents theoretical standpoints including a semiotic perspective a proposal for a specific theoretical framework and an inquiry into the role of artificial intelligence Finally it analyses varieties of current practice from digital poetry to location based applications artistic experiments and expanded remakes of older narrative game titles

*The Night Ocean* Paul La Farge, 2018-04-03 From the award winning author and New Yorker contributor a riveting novel about secrets and scandals psychiatry and pulp fiction inspired by the lives of H P Lovecraft and

his circle Marina Willett M D has a problem Her husband Charlie has become obsessed with H P Lovecraft in particular with one episode in the legendary horror writer s life In the summer of 1934 the old gent lived for two months with a gay teenage fan named Robert Barlow at Barlow s family home in central Florida What were the two of them up to Were they friends or something more Just when Charlie thinks he s solved the puzzle a new scandal erupts and he disappears The police say it s suicide Marina is a psychiatrist and she doesn t believe them A tour de force of storytelling The Night Ocean follows the lives of some extraordinary people Lovecraft the most influential American horror writer of the 20th century whose stories continue to win new acolytes even as his racist views provoke new critics Barlow a seminal scholar of Mexican culture who killed himself after being blackmailed for his homosexuality and who collaborated with Lovecraft on the beautiful story The Night Ocean his student future Beat writer William S Burroughs and L C Spinks a kindly Canadian appliance salesman and science fiction fan the only person who knows the origins of The Erotonomicon purported to be the intimate diary of Lovecraft himself As a heartbroken Marina follows her missing husband s trail in an attempt to learn the truth the novel moves across the decades and along the length of the continent from a remote Ontario town through New York and Florida to Mexico City The Night Ocean is about love and deception about the way that stories earn our trust and betray it *Turning the Page* Angus Phillips,2014-02-05 This is an exciting period for the book a time of innovation experimentation and change It is also a time of considerable fear within the book industry as it adjusts to changes in how books are created and consumed The movement to digital has been taking place for some time but with consumer books experiencing the transition the effects of digitization can be clearly seen to everybody In *Turning the Page* Angus Phillips analyses the fundamental drivers of the book publishing industry authorship readership and copyright and examines the effects of digital and other developments on the book itself Drawing on theory and research across a range of subjects from business and sociology to neuroscience and psychology and from interviews with industry professionals Phillips investigates how the fundamentals of the book industry are changing in a world of ebooks self publishing and emerging business models Useful comparisons are also made with other media industries which have undergone rapid change such as music and newspapers This book is an ideal companion for anyone wishing to understand the transition of the book writing and publishing in recent years and will be particularly relevant to students studying publishing media and communications McSweeney's ,2000 *The Authoring Problem* Charlie Hargood,David E. Millard,Alex Mitchell,Ulrike Spierling,2023-01-01 Authoring its tools processes and design challenges are key issues for the Interactive Digital Narrative IDN research community The complexity of IDN authoring often involving stories co created by procedures and user interaction creates confusion for tool developers and raises barriers for new authors This book examines these issues from both the tool designer and the author s perspective discusses the poetics of IDN and how that can be used to design authoring tools explores diverse forms of IDN and their demands and investigates the challenges around conducting research on IDN authoring To address these challenges the chapter authors
