Autobiographie d'une inconnue Emmeline Raymond, 1870

Églises et santé dans le Tiers Monde. Hier et aujourd'hui Jean Pirotte, Henri Derroitte, 2016-05-18 The fifteen papers presented here examine three centuries of close if sometimes ambiguous links between Christian mission and medicine The authors who include theologians historians sociologists physicians and representatives of major international health care organisations address themselves to such questions as How is one to assess the results of past missionary health care effort How are modern day Christian organisations to cope with the burden of institutions set up in the past What links should the Churches maintain with official medical organisations What position should the Churches take on the faith v healing debate begun by certain religious groups And how is one to lay the groundwork of a theology of health and healing The complexity of the issues outlined here can alas provide no easy answers

Quinze auteurs compris théologiens historiens sociologues médecins et responsables d'organisations sanitaires ont centré leurs réflexions sur le rôle des églises chrétiennes dans le domaine de la santé hier dans les pays de mission aujourd'hui dans ces mêmes régions où se poursuit une véritable inculturation du christianisme Dans cet ouvrage ils abordent plusieurs questions fondamentales comment valuer les résultats et lacunes de l'action sanitaire des missions dans le passé Les communautés chrétiennes actuelles doivent-elles porter le poids d'institutions mises en place hier Quels rapports les églises doivent-elles entretenir avec les organisations médicales officielles Comment les églises se situent-elles dans la dialectique foi-guérison développée par certains groupes religieux Plus profondément comment poser les jalons d'une théologie de la santé et de la guérison Trouver les réponses sur ces questions complexes c'est une tâche très délicate

L'utopie Dominique Berthet, 2010-04-01 Un certain nombre d'utopies réalisées furent des échecs Tel est le constat porté sur le siècle qui vient de s'écouler Mais les utopies sont-elles mortes comme on s'est empressé de le déclarer Ce serait faire abstraction de l'évidence l'homme ne peut vivre sans utopie Elle n'est pas contrairement l'idée reçue l'irréel ou le rêve mais un espoir chevillé à la vie Quelles sont les relations que l'art entretient avec l'utopie L'art non seulement n'est pas étranger à cette notion mais dans bien des cas l'utopie semble s'incarner dans l'art
