nurse the book's down to earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross country road trip to help you see the relationships between different aspects of nursing school as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before, during, and after nursing school. Electronic Age Information covers distance learning, online courses, and podcasts facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX chapter, Chapter 29, "Are We There Yet? Almost," provides you with the tools you need to prepare for and pass the NCLEX. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. Three chapters are devoted to diversity in today's workforce and the non-traditional student. Thorough coverage of ADN, BSN, and RN-BSN programs, program prerequisites, differences, and more helps you make informed decisions about your choice of nursing programs. An appendix of Online Resources provides quick and easy access to web sites that will assist both students and graduates with continued study and real world advice.
