Joanna Trollope: The Other Family & A Village Affair Joanna Trollope, 2012-03-15 This special 2 for 1 collection features two classic Joanna Trollope novels *The Other Family* and *A Village Affair*. *The Other Family* Chrissie in the twenty three years she'd been together with Richie had always believed that he loved her. He loved their three daughters and their house in Highgate and their happy lively existence. But if she really was the love of his life why had he never given her the one thing that would have made her life perfect. Then suddenly Richie is no longer there and without him Chrissie's carefully constructed life is in jeopardy. The one big fact she had always tried to keep from her daughters threatens to overwhelm them all. For Richie had still been married to his first wife the one with a son that he had abandoned in Newcastle. And now with Richie gone and the practicalities of wills and money to be sorted out it is finally time for the two families to face each other. *A Village Affair* The Grey House is the answer to everything in Alice Jordan's perfect life. It seems to be the ultimate achievement of her outwardly happy marriage a loyal if dull husband three children two cars and now the house. So why does she feel as if something crucial is missing. As Alice and her family settle themselves into village life the something missing becomes something huge and then breaks scandalizing the village opening up old wounds. But because of it Alice begins to feel that there is hope and humour understanding and compassion in the new life she must build for herself. *A Village Affair*, by Joanna Trollope (8 Cassettes). Joanna Trollope, Carol* Marsh, *The Other Family* Joanna Trollope, 2010 When Richie Rossiter once a famous pianist dies unexpectedly Chrissie knows that she must now tell the truth to their three daughters their parents were never married. And there is one more shock to come when Richie's will is read. It seems he never forgot the wife and son he left behind years ago. Margaret who lives a quiet life of routine and work and Scott who has unresolved feelings about the father who left him. Now two families are left to confront their losses and each other and neither of them will ever be the same. *Other People's Children* Joanna Trollope, 1999 When Josie Carver marries Matthew Mitchell it is the second marriage for them both.
