The bizhub PRESS C7000 and C7000P create extraordinary color images that set a new high standard in production print. High-speed 70 ppm output keeps ahead of rising production demands — and the bizhub PRESS C7000 also provides built-in copying and scanning. Real-time image density and color density control sensors give you stable, consistent color through the longest press runs. An air assist paper separation system provides enhanced support for heavy and coated stock. Powerful print control and in-line finishing options let you build a system customized to your production environment. With bizhub PRESS, Konica Minolta sets a new color standard in light production printing — and you can count on the bizhub PRESS C7000 and C7000P to improve your image as they reduce your costs.
