Life Or Death:

Life, Death, & the Faces and Places Between Donald Alan Straub III, 2004-05-13 *Life Death the Faces and Places Between* is a collection of 57 poems created over six years between 1997 and 2003 expressed from the perspective of a man in his mid to late twenties The poems examine life and death through various poetic styles and viewpoints probing into territories both familiar and uncommon The book tackles a variety of subjects From hate crimes to love ballads from surviving cancer to surviving 9 11 from nature to the nature of man all set against the backdrop of what it is to live in these unpredictable times It s a reflection of the world and encourages the reader to look beyond the surface for greater meaning The poems were inspired by first hand experiences observations of others and thoughts that seemed to spill out upon the page It is a fascinating and vulnerable exploration told through poetry

The Complaint, Or, Night Thoughts, on Life, Death, and Immortality Edward Young, 1831 *The Complaint Or, Night-thoughts on Life, Death, and Immortality. To which is Added, A Paraphrase on Part of the Book of Job. A New Edition, Carefully Corrected* Edward Young, 1768 *The Complaint; Or Night Thoughts on Life Death and Immortality to which are Added, Some Thoughts on the Late Rebellion, and a Paraphrase on Part of the Book of Job* Edward Young, 1765

Life, Death, And Resurrection: Dewey John Jones, 2014-07-11 It has been said that poetry is the art of naming things properly *Life Death And Resurrection* is a book of poetry that is the fruition of the author s journey into monasticism a journey which seemingly leads away from the world but which is actually a rushing into reality it is a journey to find the ultimate meaning of one s own existence the ultimate meaning of life and the name that God Himself gives to each one of us This is a book about one soul s search for God and what that soul finds in this pursuit life death and resurrection God s own poem He hides within every aspect of our lives In these poems we find that ultimately it is the journey that will define who we are in the end and it is the Cross that will show us how to live this journey we will find our truest self our true name only in our love for God and neighbor As one poem reads God comes to us in many ways In vision and mystery In the hand to be held The burden to be born The scars to be felt Which are our prisons to be shorn

Life, Death, and After Jack M. Hilliard, 2010-06 *Life Death and After Why a Biblical Perspective* By Jack M Hilliard Have you ever wondered why you are here What life is really about When and how you will die What happens after death All these questions are important Throughout generations all people have asked these questions Our life could end at any moment without notice The end of this world as we know it may be near If that did happen would you be ready to face death This book will explain what we should be doing today to prepare for this event It will also explain what God says happens after death We will explain why the Bible is without error and how we can trust its truths about life death and all other subjects Life is not a promise it is a gift Each of us will face death Are you ready Jack M Hilliard received his BS and MBA from California Coast University He is the Author of *Understanding Revelation* ISBN 978 1 60791 055 8 hardback and ISBN 978 1 60266 650 4 paperback published by Xulon Press in 2007 and 2008 Jack has been a student of the Bible since his salvation experience in

Matters of Life and Death Tom Regan, 1980 *With Or Without God, Life's Mysteries Continue Ruminations on God, Life, Death, Spirits, Reincarnation and the Future of Humankind* Sondlo Leonard Mhlaba, PhD, 2010 Sooner or later we all face the questions explored in With or Without God Life s Mysteries Continue questions about the purpose of life human mortality spirituality God and life beyond the grave The title conveys the author s tentativeness perhaps humility There are no postulates here no truths to be revealed These are ruminations What makes these ruminations notable is that they are those of a man who in his own words has traversed centuries of human experience in 66 years and in the process acquired a unique perspective on life and nature Mhlaba grew up in Zimbabwe in what he calls a pre modern age He has lived in fear of spooks and ghosts worshipping ancestral spirits and was subject to the tyranny of witches and the machinations of unseen forces He could have easily remained in that life as his forebears had done before him Fortunately his parents understood that he and his siblings would live much of their lives in a changed world and prepared them through education The book ends with a fascinating look into the future of humankind taking the reader through uncharted territory and a new sense of awe about the meaning of life and what may lie beyond Mhlaba went on to earn a Ph D and taught physics and mathematics at university level He now lives in Newton Massachusetts with his wife Nancy They have four grown children Mhlaba is currently writing a book on global governance
