**Sacrament of Reconciliation** Robert L. Fastiggi, 2017-02-01 The Sacrament of Reconciliation examines this sacrament in terms of its anthropological scriptural historical and theological roots The powerful message of God's merciful love expressed through this sacrament is an essential way of knowing the joy of the Gospel

**The Family As Basic Social Unit** Kevin Schemenauer, 2024-06 The Family as Basic Social Unit provides a theologically rooted account of the family's social roles and responsibilities As a basic social unit the family is both internally social and socially interdependent with other social communities Reflecting on the family's internally social character Schemenauer proposes that Catholic social teaching applies to family interactions He analyzes household labor using papal teaching on work and sibling violence with more recent theological analysis of peacemaking and he argues that families can complete works of mercy when they feed hungry and care for sick family members In the second part of the volume Schemenauer describes the social interdependence of families He analyzes the relationship between families and the Church civil society the economy and the state Schemenauer proposes that the question for families is not whether to engage with other social communities but how to do so well He explicitly highlights how consumer capitalism creates obstacles for families attempting to live as a basic social unit Then employing the categories of infused simplicity and moral cooperation he provides a framework for discerning family engagement with broader society Finally Schemenauer analyzes the relationship between family commitments and social ministry Working from the family outward Schemenauer describes how family commitments can motivate broader social service but then employs the example of families involved in the Catholic Worker Movement to reflect on the joys and dangers of balancing commitment to one's family with social ministry focused on the urgent needs of those outside of one's household

**Pope Francis and the Future of Catholicism** Gerard Mannion, 2017-04-24 A study of the most important document from Pope Francis to date exploring key components of his agenda for the church

**Pope Francis and Mercy** Gill K. Goulding, CJ, 2023-09-15 This theological study examines how Pope Francis lives out mercy in his own Petrine ministry and calls for it to be lived out by the people of God The centerpiece of Pope Francis's pontificate from the very first days has been his proclamation of the importance of the mercy of God While facing global problems of climate change terror political destabilization refugees and dire poverty the Holy Father has articulated the mission of the Church through mercy love and forgiveness to reveal the compassion of God for all and particularly for those most vulnerable existing on the margins of society In this compelling study Gill Goulding CJ examines for the first time the critical and determinative role of mercy in Francis's papacy using his homilies allocutions encyclicals and addresses as primary sources Goulding traces the theme of mercy in Francis's thought attending to its Ignatian foundations and its Christological Trinitarian and ecclesiological significance for the Church today particularly the impact of his reappropriation and elevation of the discourse of mercy on the work of the Curia in Rome Goulding enters into dialogue with other theologians including Romano Guardini Walter

Kasper and Hans Urs von Balthasar to demonstrate a continuity between Francis and his predecessors especially Benedict XVI in this area of mercy In addition Goulding argues that the influence of St Ignatius Loyola in particular his Spiritual Exercises needs to be taken into account paying special attention to Francis s call for the practice of discernment Throughout Pope Francis and Mercy Goulding lays the groundwork for future research and suggests a wider appreciation of the necessary tools to enable an engagement with mercy in our contemporary world

**Catholicism and Citizenship** Massimo Faggioli,2017 The beginning of the twenty first century has provided abundant evidence of the necessity to reexamine the relationship between Catholicism and the modern global world This book tries to proceed on this path with a focus on the meaning legacy and reception in today s world of the ecclesiology of Vatican II starting with Gaudium et Spes This council exhorts Christians as citizens of two cities to strive to discharge their earthly duties conscientiously and in response to the Gospel spirit Catholicism and Citizenship is a call for a rediscovery of the moral and political imagination of Vatican II for the Church and the world of our time

Misericordiae Vultus Catholic Church. Pope (2013- : Francis),2015

Practicing Prayer for the Dead James B. Gould,2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence Practicing Prayer for the Dead offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

*Mercy and Justice* ,2020-06-15 The term mercy is currently omnipresent in Catholic debates It dominates at events such as the recent Family Synods and the Jubilee Years At the same time it poses a significant problem for cases dealing with sexual abuse Mercy calls to consider an individual s needs and this conflicts with justice necessitating equal treatment for everyone Mercy applies to the fallible individual deserving of punishment but who is saved by grace This is most apparent in the Sacrament of Penance and other forms of penitence forgiveness and reconciliation where mercy both transcends and undermines justice This problem widely ignored in church teaching is addressed by Dirk Ansoerge James Dallen Judith Hahn Atria A Larson Sandra Lassak Michael A Nobel Rosel Oehmen Vieregge Heike Springhart and Gunda Werner

A Synodal Church Susan K. Wood,2025-04-23 Hoping to revitalize the Catholic Church Pope Francis launched a global initiative in synodality to promote a more inclusive approach to decision making This book illuminates this revolutionary movement both in theory and in practice demonstrating that the path

Misericordiae Vultus Papa Francisco,2015-04-11 Bula de convocaci n del Jubileo Extraordinario de la Misericordia Francisco obispo de Roma Siervo de los siervos de Dios a cuantos lean esta carta gracia misericordia y paz **The Holy Door of Mercy** Romano Piazza,2022-10-07 In Catholic belief the Holy Door signifies the door to salvation the route to a new and everlasting life which was opened to mankind by Jesus It also signifies a gateway to God s compassion the ultimate and pinnacle act through which He comes to meet mankind Mercy is the bridge that binds God and mankind opening our hearts to the hope of being loved eternally despite our sinfulness the pope stated in Misericordiae Vultus The Face of Mercy beginning the Holy Year of Mercy Doors always have had a unique symbolism for the Catholic Church according to the late Cardinal Virgilio Noe the former archpriest of St Peter s Basilica The door of a church indicates the division between the holy and profane dividing the church s interior from the outside world It is the threshold distinguishing welcome and exclusion he wrote in the book The Holy Door at St Peter s in 1999 The door also is a symbol of Mary the mother the abode of the Lord and she too constantly has open arms and is ready to welcome the children of God home Pope Francis was set to open the door on Dec 8 the feast of Mary s Immaculate Conception But the door notably depicts Christ Himself the only route to

everlasting life As Jesus remarked according to the Gospel of John 10 9 I am the gate Whoever comes by me will be saved and will come in and go out and find pasture      *Misericordiae Vultus* Franziskus (Papst),2015
