Misflitch Tales Of Balia 6:

Misflitch Jill Penrod, 2014-12-06 For generations two peoples have fought over the mountains of Thanador. The native Tarraans hate the recent arrivals, the Contolte, and eventually that hatred turns to war. Yaotl and Jensen, though, are a Tarraan and a Contolte who live as brothers. Yearning to stay together, they find no safe place where both can be welcomed. From across the great water, Nadia is a missionary from a clinic who is able to walk outside the battle. When her path crosses that of the two men, one of them is injured and they decide to escape down the burning, warring mountain together. She leads them to a Tarraan village that claims to love TrueGod and promises to protect both the men, but some hatred takes time to fade, and before long staying in the village is almost as dangerous to the trio as setting off alone. But they also find allies and friends, even forbidden romance, and when the evil of the war threatens to destroy the whole mountain, love and friendship may be the only things to save any of them. Tarraan and Contolte alike, visit a new land in this installment of the Tales of Balia, the Christian historical fantasy romance series that takes readers across lush landscapes and into rich cultures as the deity TrueGod seeks lost and broken people, healing hearts and lives while he calls them home. Readable in any order, grab a Balia book and enter a new world today.
