and valid discourses of resistance subversion and ethnicity And why postmortems A dissection and medical examination of a body to determine the cause of death the postmortem of the postcolonial not only alludes to the investigation of the victim s remains but also to the body of the individual text and its contexts This collection interrogates literary concepts of postcoloniality and crime from transcultural perspectives in the attempt to offer new critical impulses to the study of crime fiction and postcolonial literatures International scholars offer insights into the postcolonial postmortems of a wide range of texts by authors from Africa South Asia the Asian and African Diaspora and Australia including Robert G Barrett Unity Dow Wessel Ebersohn Romesh Gunsekera Kazuo Ishiguro Sujata Massey Alexander McCall Smith and Michael Ondaatje
