How to Prepare for Nursing School S. L. Page, 2013-12 *How to Prepare for Nursing School* is a book that covers all of the important aspects of preparing for nursing school. In this book, you will learn about the different types of nursing programs, how to select a good nursing school, how to finance your nursing education, and much more. Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling during the admissions process. Some students even become discouraged to the point of questioning whether they should quit or pursue a different degree. This guide was written to give students tips and insight into how to approach nursing school. The author, S. L. Page, BSN, RN, currently works as a cardiac nurse and graduated from nursing school with honors. She later went on to start a popular nursing website where she has helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect when applying to nursing school. She warns students of what they can expect to face, and she shares all the tips, tricks, and resources she used along the way. Whether you're a high school student who is considering attending nursing school or a returning adult looking to get a first or second degree in nursing, this book will tell you how to prepare. This book is a part of the comprehensive book written by S. L. Page titled *How to Pass Nursing School*. To see all of the topics covered in this book, use the Look Inside feature on Amazon. Here's just a sample of some of the topics covered: How to prepare for nursing school in high school. Tips for international students and returning adults.
