

The MINORITY REPORT

AND OTHER CLASSIC STORIES BY

Philip K. Dick

WITH AN INTRODUCTION BY JAMES TRIPTREE, JR.

Minority Report Philip K Dick

Philip K. Dick

Minority Report Philip K Dick:

The Minority Report Philip K. Dick, 2002 A collection of eighteen science fiction short stories features The Minority Report in which Commissioner John Anderton's clever use of precogs people who can identify criminals before they can do any harm turns against him when they identify him as the next criminal

Minority Report Philip K. Dick, 2002 Imagine a future where crimes can be detected before they are committed and criminals are convicted and sentenced for crimes before committing them This is the scenario of Philip K Dick's classic story now filmed by Steven Spielberg starring Tom Cruise In addition to Minority Report this exclusive collection includes nine other outstanding short stories by the twentieth century's outstanding sf master three of which have been made into feature films

Minority Report Philip K. Dick, 2000 The fourth volume of the definitive five book set of the complete collected stories of the twentieth century's greatest sf author covers a wide span from late 1954 through to 1963 Those were the years during began writing novels prolifically and his short story output lessened Back cover

The Minority Report and Other Classic Stories By Philip K. Dick Philip K. Dick, 2016-04-26 With an Introduction by James Tiptree Jr More than anyone else in the field Mr Dick really puts you inside people's minds Wall Street Journal Many thousands of readers consider Philip K Dick to have been the greatest science fiction writer on any planet Since his untimely death in 1982 interest in Dick's works has continued to mount and his reputation has been enhanced by a growing body of critical attention The Philip K Dick Award is now presented annually to a distinguished work of science fiction and the Philip K Dick Society is devoted to the study and promulgation of his works This collection includes all of the writer's earliest short and medium length fiction covering the years 1954 1964 and featuring such fascinating tales as The Minority Report the inspiration for Steven Spielberg's film Service Call Stand By The Days of Perky Pat and many others Here readers will find Dick's initial explorations of the themes he so brilliantly brought to life in his later work Dick won the prestigious Hugo Award for the best novel of 1963 for The Man in the High Castle In the last year of his life the film Blade Runner was made from his novel Do Androids Dream of Electric Sheep The classic stories of Philip K Dick offer an intriguing glimpse into the imagination of one of science fiction's most enduring and respected names A useful acquisition for any serious SF library or collection Kirkus Reviews Awe inspiring The Washington Post

The Minority Report Philip K. Dick, 1991 This collection Vol 4 covers the years 1954 1964 and includes such fascinating stories as Service Call Stand By The Days of Perky Pat and many others

Minority Report William T. Lynch, 2020-10-16 In Philip K Dick's The Minority Report precogs who are imaginary individuals capable of seeing the future are relied upon to stop crime with a consensus report synthesized from two of three precogs When the protagonist is indicted for a future murder he suspects a conspiracy and seeks out the minority report detailing the suppressed testimony of the third precog Science works a lot like this science fiction story Contrary to the view that scientists in a field all share the same paradigm as Thomas Kuhn famously argued scientists support different and competing research programs Statements of scientific consensus need to be actively

synthesized from the work of different scientists Not all scientific work will be equally credited by science as a whole While this system works well enough for most purposes it is possible for minority views to fail to get the hearing that they deserve This book analyzes the support that should be given to minority views reconsidering classic debates in science and technology studies and examining numerous case studies *The Collected Stories of Philip K. Dick* Philip K. Dick, 2013

The Collected Stories of Philip K. Dick: The minority report Philip K. Dick, 1990 **The Minority Report** Philip K. Dick, 1999-12 In a future world scientists predict criminal behavior before it happens and pre criminals are arrested before they break any laws Precedes the 2000 motion picture release directed by Steven Spielberg and starring Tom Cruise *The Postmodern Humanism of Philip K. Dick* Jason P. Vest, 2009-02-17 From his 1952 short story Roog to the novels *The Divine Invasion* and *VALIS* few authors have had as great of an impact in the latter half of the 20th century as Philip K Dick In *The Postmodern Humanism of Philip K Dick* Jason Vest explores the work of this prolific subversive and mordantly funny science fiction writer He examines how Dick adapted the conventions of science fiction and postmodernism to reflect humanist concerns about the difficulties of maintaining identity agency and autonomy in the latter half of the 20th century In addition to an extensive analysis of the novel *Now Wait for Last Year* Vest makes intellectually provocative comparisons between Dick and the works of Franz Kafka Jorge Luis Borges and Italo Calvino He offers a detailed examination of Dick s literary relationship to all three authors illuminating similarities between Dick and Kafka that have not previously been discussed as well as similarities between Dick and Borges that scholars frequently note but fail to explore in detail Like Kafka Borges and Calvino Dick employs fantastic unreal and visionary fiction to reflect the disruptions dislocations and depressing realities of twentieth century life By comparing him to these other writers Vest demonstrates that Dick s fiction is a fascinating barometer of postmodern American life even as it participates in an international tradition of visionary literature

Minority Report Philip Kindred Dick, 2000 This collection of stories from Philip K Dick covers a wide span from late 1954 through to 1963 the years during which he began writing novels prolifically and his short story output lessened *The minority report* , 1990 *Blade Runner and the Cinema of Philip K. Dick* Jeremy Robinson, 2009 A study of the classic science fiction film *Blade Runner* 1982 and movies based on the fiction of Philip K Dick 1928 1982 **The Twisted Worlds of Philip K. Dick** Umberto Rossi, 2014-01-10 Philip K Dick was one of the most popular science fiction novelists of the 20th century but the contradictory and wily writer has troubled critics who attempt encompassing explanations of his work This book examines Dick s writing through the lens of ontological uncertainty providing a comparative map of his oeuvre tracing both the interior connections between books and his allusive intertextuality Topics covered include time travel alternate worlds androids and simulacra finite subjective realities and schizophrenia Twenty novels are explored in detail including titles that have received scant critical attention Some of his most important short stories and two of his realist novels are also examined providing a general introduction to Dick s body of work *Crossroads in Literature and Culture* Jacek

Fabiszak, Ewa Urbaniak-Rybicka, Bartosz Wolski, 2012-11-05 The book contains a selection of papers focusing on the idea of crossing boundaries in literary and cultural texts composed in English. The authors come from different methodological schools and analyse texts coming from different periods and cultures trying to find common ground. The theme of the volume is between the apparently generically and temporarily varied works and phenomena. In this way a plethora of perspectives is offered, perspectives which represent a high standard both in terms of theoretical reflection and in depth analysis of selected texts. Consequently the volume is addressed to a wide scope of both scholars and students working in the field of English and American literary and cultural studies; furthermore it will be of interest also to students interested in theoretical issues linked with investigations into literature and culture.

Speculative Orientalism: Asian Religions in New Wave Science

Fiction Sang-Keun Yoo, 2025-08-21 Examining the works of prominent New Wave science fiction authors from the 1950-1960s Sang Keun Yoo highlights the underexplored connection between American science fiction and Asian religions such as Taoism, Buddhism and Hinduism. The book considers how the major world wars of the 20th century, Second World War, the Cold War and the Vietnam War repositioned Asian culture in relation to the science fiction genre in the period. Underpinning this study Sang Keun Yoo argues that Speculative Orientalism emerged in American science fiction during the 1950s and 60s. This concept adopted various aspects of Asian religions to envision alternative worlds unburdened by the constraints of colonialism, totalitarianism, racism and sexism present in contemporary American society. Bringing fresh perspectives to the works of William S. Burroughs, Philip K. Dick, Ursula K. Le Guin and Samuel R. Delany, this book offers an insightful examination of the role of Asian religions in American science fiction and their impact on the genre's history.

Philip K. Dick David Sandner, Donald E. Palumbo, C.W. Sullivan III, 2020-03-10 Philip K. Dick was a visionary writer of science fiction. His works speak to contemporary fears of being continually watched by technology and the paranoia of modern life in which we watch ourselves and lose our sense of identity. Since his death in 1982, Dick's writing remains frighteningly relevant to 21st-century audiences. Dick spent his life in near poverty and it was only after his death that he gained popular and critical recognition. In this new collection of essays, interviews and talks, Philip K. Dick is rediscovered. Concentrating both on recent critical studies and on reassessing his legacy in light of his new status as a major American author, these essays explore just what happened culturally and critically to precipitate his extraordinary rise in reputation. The essays look for his traces in the places he lived in, the SF community he came from and in his influence on contemporary American literature and culture and beyond.

Films Based on the Works of Philip K. Dick Source: Wikipedia, 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary films not included: Pages 39 Chapters Blade Runner Minority Report Total Recall A Scanner Darkly Next Screaming in the Rain The Adjustment Bureau Paycheck Total Recall 2070 Impostor Radio Free Albemuth Confessions of a Dangerous Mind King of the Elves List of films or television series based on Philip K. Dick material Excerpt: Minority Report is a 2002 American neo-noir science fiction film directed by Steven Spielberg and

loosely based on the short story *The Minority Report* by Philip K Dick. It is set primarily in Washington D C and Northern Virginia in the year 2054 where PreCrime a specialized police department apprehends criminals based on foreknowledge provided by three psychics called precogs. The cast includes Tom Cruise as PreCrime captain John Anderton, Colin Farrell as Department of Justice agent Danny Witwer, Samantha Morton as the senior precog Agatha, and Max von Sydow as Anderton's superior Lamar Burgess. The film is a combination of whodunit thriller and science fiction. Spielberg has characterized the story as fifty percent character and fifty percent very complicated storytelling with layers and layers of murder mystery and plot. The film's central theme is the question of free will vs determinism. It examines whether free will can exist if the future is set and known in advance. Other themes include the role of preventative government in protecting its citizenry, the role of media in a future state where electronic advancements make its presence nearly boundless, the potential legality of an infallible prosecutor, and Spielberg's repeated theme of broken families. The film was first optioned in 1992 as a sequel to another Dick adaptation *Total Recall* and started its development in 1997 after a script by John Cohen reached Spielberg and Cruise. Production suffered many delays due to *The Golden Age and Beyond* John Hamilton, 2006-09. This book gives a brief look at the life and writings of eight science fiction writers of the twentieth century. **100 Great American Novels You've (Probably) Never Read** Karl Bridges, 2007-09-30. From Elizabeth Stoddard's *The Morgesons* and Anzia Yzierska's *The Bread Givers* to Laurie Colwin's *Shine On Bright* and *Dangerous Object* and Chet Raymo's *The Dork of Cork*, here are some of the forgotten gems of American literature. Bridges has compiled a diverse list of 100 American novels published between 1797 and 1997 and worthy of the title great. Although the idea is to bring light to the obscure, these titles are physically accessible to readers either in print or represented in library collections and available through library loan.
