**The Jesus I Never Knew Study Guide** Philip Yancey, 2010-02-23 In this Bible study guide companion to the bestselling book *The Jesus I Never Knew* Philip Yancey cuts through existing views and preconceptions of who Jesus is and returns us to the Jesus of the Gospels How does the Jesus of the New Testament compare to the Jesus we think we know so well From the manger in Bethlehem to the cross in Jerusalem Philip Yancey presents a complex character who generates questions as well as answers a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith This 14 week study guide will help you and your group press beyond the traditional picture to uncover a Jesus who is brilliant creative challenging fearless compassionate unpredictable and ultimately satisfying Each chapter Begins with Yancey's reflections on rediscovering Jesus Discusses how different people and cultures view Jesus Points us back to the Bible with Scripture readings Asks discussion questions and includes note writing sections and prompts Included are Yancey's suggestions for viewing Hollywood films on Jesus with optional directions about film usage in studying *The Jesus I Never Knew* Is Jesus of Nazareth the Predicted Messiah? Douglas D. Scott, 2019-02-04 Christians in general and preachers of prophecy in particular attribute the fulfillment of hundreds of Old Testament messianic prophecies to Jesus of Nazareth Often these claims arise in the uncritical environment of Christian churches or popular literature that is treating messianic prophecy People with critical thinking abilities and those endowed with a skeptical nature often have key questions that remain unaddressed in such environments These thinkers and skeptics are the people that will be most interested in this work The primary question addressed is this Do critically acceptable historical evidential reasons exist for believing that Jesus Christ is the direct fulfillment of some specific Old Testament messianic texts Approaching this question within a framework that eliminates any possibility of staged prophetic fulfillment and those that may occur by mere chance or collusion produces results that must be taken seriously Even with these strict criteria Jesus emerges as the only viable candidate to fulfill some of the prophecies included in this study For other prophetic texts the evidence is not as abundant or convincing However even these texts yield several minimal facts that directly impinge on New Testament claims about Jesus SCM Studyguide: Biblical Hermeneutics David Holgate, Rachel Starr, 2019-09-30 The SCM Studyguide Biblical Hermeneutics offers entry level undergraduates a framework for interpreting the Bible The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves As such it features pedagogical tools such as Try it Out boxes to assist students to develop a tested and thought through overall interpretative strategy of their own This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness integrity and faithfulness Table of contents Acknowledgements Introduction 1 Where Do We Want to Go 2 Past Experience and Present Expectations 3 Tools for Exegesis 4 Our Reality 5 Committed Readings 6 Enabling Dialogue with the Text 7 Our Goal Life Affirming Interpretations

The Gospels and Rabbinic Judaism Michael

Hilton, Gordian Marshall, 1988 This book has grown out of Bible studies carried on jointly by a Dominican priest and a Jewish rabbi New Testament and rabbinic texts have been studied by various combined groups of Jews and Christians and the reactions of the groups noted by the authors From their experience a textbook has emerged for others to use ideally in similar joint groups The main topics covered are the great commandment the synagogue and its function the parable the Sabbath divorce and forgiveness These topics differ not only in subject matter but also in the type of comparison offered legal historical literary theological and even contrasting themes      **Filmstrip Guide** H.W. **Bowker's Complete Video Directory 2001** ,2001      The Illustrative Lesson Notes John Heyl Vincent, Jesse Lyman Hurlbut, John Thomas McFarland, 1893      Quest for the Messiah John Painter, 1991      *Continent* ,1923      *Godmen on the Warpath* Stephen Fuchs, 1992 Description Ever since the highly civilised powers took it in mind to colonise primitive peoples and to uplift them culturally their efforts even if well intended turned disastrous for the colonised The actual results were wholesale oppression and exploitation even physical annihilation The surviving primitive peoples usually suffered a complete break down of their original culture and a total confusion of their traditional values But after a certain time the colonised peoples felt the desires for a revival of their pristine way of life the old traditional values asserted themselves Yet due to their predominantly magical world outlook this revitalisation often took an esoteric turn It also required a leader allegedly possessed with superhuman powers and in close contact with the ancestors or old gods a Messiah or Saviour Such revival movements arose all over the world wherever high civilisations clashed with primitive cultures It is to the credit of the author of *Godmen on the Warpath* to have discovered numerous such messianic movements in India and to have described them here Another important and eminently practical result of the author's analysis of such movements is that he convincingly proves that wherever their leaders were able to guide their followers to a gradual and peaceful amalgamation of the new with the original beliefs and practices of the colonised peoples they were largely successful But here the godmen yielded to the temptation to liberate their people by violent means they generally were defeated with disastrous consequences for their people      **The Universalist Leader** ,1925
