

The background of the entire cover is a dense collage of numerous small, faded, and semi-transparent portraits of people of various ages and ethnicities. These faces are arranged in a way that they overlap and blend into each other, creating a sense of a large, unseen group of people.

Missing 411 David Paulides, 2011 Major news organizations do a deplorable job of covering major stories and issues which are deemed too unusual or too far outside the box Chances are they will find a way to trivialize or ignore the disturbing evidence accumulated by David Paulides a former law man turned investigative journalist The paper trail uncovered by Paulides through sheer doggedness is impressive the evidence indisputable People are vanishing without a trace from our national parks and forests yet government agencies are saying nothing At a minimum this story deserves space on the front page of every newspaper in the country and it warrants a formal high level inquiry by the federal agencies whose files leave little doubt that something very strange is unfolding in our wilderness George Knapp Host Coast to Coast AM P 4 of cover

Missing 411-North America and Beyond David Paulides, 2013-02-28 www.canammissing.com This is the third Missing 411 book researching facts of people who have vanished in remote locations of the world Missing 411 North America and Beyond is the first edition that discusses missing people and relevant facts from five countries Australia England France Iceland and Indonesia outside of North America and examines the parallels between the cases The book also includes a multitude of new stories from North America There is a continuing trend of clusters of missing people in United States National Parks The National Park Service has continued with their policy of failing to keep ledgers track or otherwise document lists of missing people inside their parks and monuments This edition has cases from Florida Texas Hawaii and forty other states There are new clusters of missing people from Sequoia and Mount Rainier National Park Three Sisters Wilderness OR and Adirondacks NY Canada has missing cases from six provinces that are documented This new book brings further clarity to the missing person issue by examining multiple disappearances of people in small confined areas and exposing the similarities of their case David Paulides also exposes a series of coed disappearances that date back to the early 1900 s which have unusual facts surrounding their case Missing 411 North America and Beyond is the largest and most comprehensive of the trilogy 472 pages The Missing 411 series builds upon itself It is recommended that you read Missing 411 Western United States first then the eastern version and then North America and Beyond There is a historical aspect to this issue and there are common elements that run through the disappearances One of the early reviews of Missing 411 North America and Beyond was written by New York Times Best Selling author Whitley Strieber David Paulides has shined a light onto one of the greatest and most disturbing mysteries of our time the simple and awful fact that people disappear especially in our national parks and little effort is made to find them let alone inform the public about the danger Even when massive searches are mounted and people are found the events surrounding their loss and recovery are often far beyond logical explanation This is the most comprehensive and expertly presented series of books on the subject ever written and the latest volume which includes stories from five countries is sobering chilling and far too well researched to ignore Essential reading Whitley Strieber New York Times Best Selling Author *BIGFOOT NATION* David Childress, 2018-04-11 Childress

takes a deep look at Bigfoot Nation the seemingly real world of bigfoot around us in the United States and Canada Whether real or imagined that bigfoot has made his way into the American psyche cannot be denied He appears in television commercials movies and on roadside billboards In fact bigfoot is everywhere with actors portraying him in variously believable performances and it has become the popular notion that bigfoot is both dangerous and horny Indeed bigfoot is out there stalking lover s lanes and is even more lonely than those frightened teenagers that he sometimes interrupts Bigfoot tall and strong as he is makes a poor leading man in the movies with his awkward personality and typically anti social behavior He doesn t care a skunk s gland how many movies or commercials are made about him without any royalties whatsoever being paid To him Bigfoot Nation is all about style a lifestyle shall we say that keeps bigfoot on the fringes of society gently creeping into our dreams Join David on a wild ride from the very first bigfoot reports in the 1800s to right now Chapters include 1800 to 1899 The Wildmen of the Frontier The Oldest Bigfoot Photo 1900 to 1940 The Pre War Years 1950 to 1990 The Post War Years The Skunk Apes of Swamp Nation Bigfoot in the Southwest 2000 to 2020 Post Millennial Bigfoot more Includes 16 pages of color photos that document Bigfoot Nation **Grasping Sasquatch** Ph.D. John S.

Baranchok,2024-06-12 Dare to step into the shadowy realm that exists at the edge of our understanding with Dr John S Baranchok s riveting exploration Grasping Sasquatch This isn t just a book it s an invitation to embark on a journey that challenges the very boundaries of belief and science With a blend of captivating narratives scientific rigor and a dash of the unknown Dr Baranchok offers a glimpse into the elusive world of Sasquatch research that is bound to leave you questioning what lies beyond the seen What if everything you thought you knew about the natural world was only the beginning Grasping Sasquatch peels back the layers of folklore to reveal a quest that is as much about discovering the unknown as it is about understanding our place within it Dr Baranchok armed with a Ph D and an insatiable curiosity guides us through the dense forests of mystery with a scientist s eye and a storyteller s heart Prepare to have your perceptions challenged as Grasping Sasquatch delves into the scientific methodologies that underpin Sasquatch research But beware for this is no dry academic tome Dr Barannnchok masterfully weaves together the threads of evidence from the statistical to the anecdotal creating a tapestry that is as compelling as it is informative Yet for every question answered another arises pulling you deeper into the mystery Grasping Sasquatch is more than a book it s a journey that promises to transform the way you view the world Through the eyes of a skeptic turned believer you ll venture into the heart of the unknown encountering along the way the challenges triumphs and inexplicable moments that define the search for Sasquatch This is your chance to join an expedition that dares to ask the questions few have the courage to confront The path to uncovering the truth about Sasquatch is fraught with twists and turns shadows and revelations Grasping Sasquatch offers you the key to embark on this journey but the destination remains shrouded in mystery Are you ready to challenge the unknown and discover the truth for yourself The forest awaits and within it secrets that have eluded seekers for generations Will you be the one to uncover them Grasping

Sasquatch is your invitation to a world where myth and science collide and where the journey is as important as the destination

Sky People Ardy Sixkiller Clarke, 2014-12-22 Dr Ardy Sixkiller Clarke author of *Encounters With Star People* vowed as a teenager to follow in the footsteps of two 19th century explorers John L Stephens and Frederick Catherwood who brought the ancient Maya cities to the world's attention Dr Clarke set out on a seven year adventure from 2003 through 2010 through Belize Honduras Guatemala and Mexico collecting stories of encounters sky gods giants little people and aliens among the indigenous people She drove more than 12 000 miles visiting 89 archaeological sites Stephens and Catherwood visited only 44 and conducting nearly 100 individual interviews The result is an enthralling series of unique original true stories of encounters with space travelers giants little people and UFOs *Sky People* may very well change the way you perceive and experience the world

Disembodied Voices Tim Marczenko, 2020-08-28 A paranormal investigator reveals evidence of mysterious voices that communicate with us and hair raising theories about who they are and what they want For millennia people have had encounters with voices that seem to come from nowhere These disembodied voices have haunted and helped us inspired and scared us But few have stepped forward to discuss the phenomenon Now Tim Marczenko reveals true stories from his extensive investigation into real life encounters with disembodied voices as well as historical accounts and his own personal experiences With objectivity and healthy skepticism Tim explores theories about why these voices exist where they may be coming from and what their agendas may be Are they forgotten woodland deities Is it an ancient evil from the days of Eden Is there a single intelligence behind them all or perhaps we shouldn't look too deeply or else

Missing 411 David Paulides, 2012-02-02 www.canammissing.com *Missing 411* is the first comprehensive book about people who have disappeared in the wilds of North America It's understood that people routinely get lost some want to disappear but this story is about the unusual Nobody has ever studied the archives for similarities traits and geographical clusters of missing people until now A tip from a national park ranger led to this three year 7000 hour investigative effort into understanding the stories behind people who have vanished The book chronicles children adults and the elderly who disappeared sometimes in the presence of friends and relatives As Search and Rescue personnel exhaust leads and places to search relatives start to believe kidnappings and abductions have occurred The belief by the relatives is not an isolated occurrence it replicates itself time after time case after case across North America The research depicts 28 clusters of missing people across the continent something that has never been exposed and was a shocking find to researchers Topography does play a part into the age of the victims and certain clusters have specific age and sex consistency that is baffling This is not a phenomenon that has been occurring in just the last few decades clusters of missing people have been identified as far back as the 1800's The manuscript for the research was extremely large so the story was split between two books *Missing 411 Western United States and Canada* and *Missing 411 Eastern United States* The Eastern version will be released in late March and will include a list of all missing people in each edition and a concluding chapter that draws both books together for conclusions Some of

the issues that are discussed in each edition The National Park Service attitude toward missing people How specific factors in certain cases replicate themselves in different clusters Exposing cases involving missing children that aren't on any national database Unusual behavior by bloodhounds canines involved in the search process How storms berries swamps briar patches boulder fields and victim disabilities play a role in the disappearance The strategies of Search and Rescue personnel need to change under specific circumstances Major news organizations do a deplorable job of covering stories and issues which are deemed too unusual or too far outside the box Chances are they will find a way to trivialize or ignore the disturbing evidence accumulated by David Paulides a former lawman turned investigative journalist The paper trail uncovered by Paulides through sheer doggedness is impressive the evidence indisputable People are vanishing without a trace from our national parks and forests yet government agencies are saying nothing At a minimum this story deserves space on the front page of every newspaper in the country and it warrants a formal high level inquiry by the federal agencies whose files leave little doubt that something very strange is unfolding in our wilderness George Knapp Host Coast to Coast AM After reading this book you will forever walk in the woods with a different awareness

Missing Four One One David Paulides, 2011 www.canammissing.com People have been disappearing under mysterious circumstances for centuries During the last 150 years the media has covered many of these cases and has attempted to put a rational spin on a very unusual event After 3 years and 7000 hours of intensive research there is a new paradigm being presented on people missing in the wilds of North America Missing 411 identifies 28 clusters of missing people who have vanished in remote areas of the continent The finding is a troubling fact questioning why and how these people have disappeared Some of the victims are found and tell a very interesting and mind bending story of their experience others are never found a fact that confounds searchers and law enforcement There are many children that have disappeared under highly unusual circumstances After weeks of searching and failing to find any evidence of the child being in a remote

location many parents and law enforcement draw the conclusion that the victim was kidnapped yes taken by someone lurking in remote areas of our national parks forests farms and even ranches There are two editions of this research Missing 411 Eastern United States and Missing 411 Western United States The eastern United States copy has a list of every person who is listed in each book as well as a final conclusion to the investigation You will be shocked by the lack of interest and documentation that many of our governmental bodies have committed to missing people After reading these books you will never look at our wildlands the same Chapters 1 Introduction1A Clusters1B Unique Factors in Disappearances2 Missing People3 Unique Groups of Missing People3A Central Ontario3B Berry Pickers3C Shepherders3D Farmers4 Midwest United States4A Minnesota4B Wisconsin4C Michigan4D Iowa4E Illinois4F Missouri4G Oklahoma Arkansas5 Southern States5A Georgia Alabama6 Appalachians6A Great Smoky Mountains6B Ohio6C Pennsylvania6D West Virginia6E Kentucky7 Northeastern United States7A New England7B Vermont7C New Jersey8 Lists8A Master List of Children Under 10 Years8B Analysis8C Decade Breakdown of All Missing9 Conclusions9A Gaps in Time9B Danger in the Woods9C Screams and Yells9D Bow Hunters9E National Park Service9F The Interview9G DOI Recommendations9H FBI Involvement9I Next Steps10 Index
