Mr Penumbra S 24 Hour Bookstore A Novel:

Mr. Penumbra's 24-Hour Bookstore Robin Sloan, 2012-10-02 After a layoff during the Great Recession sidelines his tech career Clay Jannon takes a job at the titular bookstore in San Francisco and soon realizes that the establishment is a facade for a strange secret

Mr. Penumbra's 24-Hour Bookstore Robin Sloan, 2012-10-02 The Great Recession has shuffled Clay Jannon out of his life as a web design drone and serendipity sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr Penumbra s 24 Hour Bookstore But Clay begins to realize that this store is even more curious than its name suggests There are only a few customers but they come in repeatedly and never seem to actually buy anything Instead they check out impossibly obscure volumes from strange corners of the store all according to some elaborate long standing arrangement with the gnomic Mr Penumbra The store must be a front for something larger Clay concludes and soon he has embarked on a complex analysis of the customers behaviour and roped his friends into helping him figure out just what s going on But once they take their findings to Mr Penumbra they discover the secrets extend far beyond the walls of the bookstore Evoking both the fairy tale charm of Haruki Murakami and the enthusiastic novel of ideas wizardry of Neal Stephenson or Umberto Eco Mr Penumbra s 24 Hour Bookstore is exactly what it sounds like an establishment you have to enter and will never want to leave

Moonbound Robin Sloan,2024-06-11 Robin Sloan expands the Penumbraverse to new reaches of time and space in a rollicking far future adventure It is eleven thousand years from now A lot has happened and yet a lot is still very familiar Ariel is a boy in a remote village under a wizard s rule Like many adventurers before him Ariel is called to explore a world full of eye popping discoveries and challenges unknown enemies a mission to rescue the world a girl Here as they say be dragons But none of this happens before Ariel encounters an entity from an earlier civilization a sentient sensitive artificial intelligence with a special perspective on all of human history who becomes both Ariel s greatest ally and our narrator Moonbound is an adventure into the richest depths of Story itself from the creator of the Penumbraverse Robin Sloan It is a deeply satisfying epic of ancient scale blasted through the imaginative prism of one of our most forward thinking writers And this is only the beginning

Bookishness Jessica Pressman,2020-12-01 Twenty first century culture is obsessed with books In a time when many voices have joined to predict the death of print books continue to resurface in new and unexpected ways From the proliferation of shelfies to Jane Austen themed leggings and from decorative pillows printed with beloved book covers to bookwork sculptures exhibited in prestigious collections books are everywhere and are not just for reading

Writers have caught up with this trend many contemporary novels depict books as central characters or fetishize paper and print thematically and formally In *Bookishness* Jessica Pressman examines the new status of the book as object and symbol She explores the rise of bookishness as an identity and an aesthetic strategy that proliferates from store window display to experimental writing Ranging from literature to kitsch objects stop motion animation films to book design Pressman considers the multivalent meanings of books in contemporary culture Books can represent shelter from or a weapon against the dangers of the digital they can act as memorials and express a sense of loss Examining the works of writers such as Jonathan Safran Foer Jennifer Egan Mark Z Danielewski and Leanne Shapton Pressman illuminates the status of the book as a fetish object and its significance for understanding contemporary fakery Bringing together media studies book history and literary criticism *Bookishness* explains how books still give meaning to our lives in a digital age **Digital Authorship** R. Lyle Skains, 2019-02-07 This Element looks at contemporary authorship via three key authorial roles indie publisher hybrid author and fanfiction writer The twenty first century's digital and networked media allows writers to disintermediate the established structures of royalty publishing and to distribute their work directly to and often in collaboration with their readers This demotic author one who is of the people often works in genres considered popular or derivative The demotic author eschews the top down communication flow of author text reader in favor of publishing platforms that generate attention capital such as blogs fanfiction communities and social media *The Suitcase Clone* Robin Sloan, 2022-08-02 At last the story that definitively bridges the world of *Sourdough* to that of *Mr Penumbra's 24 Hour Bookstore* It's all one Penumbraverse James Bascule is adrift College beckons but not quite strongly enough to actually get him to campus A trip to Europe showed him a world bigger than his Northern California upbringing and yet one broken heart later Northern California is where he's returned Back to his old bedroom paying his bemused parents rent with his new hobby baking bread with the sourdough starter that is his only souvenir of what was apparently just a summer fling The future is being built an hour or two down the highway it's 1985 the twenty first century is just around the corner but that's not his world either While sitting in a Sonoma County bar indulging in a little aimless day drinking with a junior college acquaintance he meets a man A man with something like a plan Has James ever heard of a suitcase clone It's a cutting of a vine used to clone and propagate noteworthy grapes say from a legendary European vineyard to an upstart Napa Valley operation This man has an operation He has a suitcase He just needs an enterprising young accomplice up for an adventure Just how deliriously fun and thrillingly mind expanding an adventure James can't yet know But we of course know how Robin Sloan crafts a story Crossing the international literary techno conspiracy of *Mr Penumbra* with the delicious experimentation of *Sourdough* *The Suitcase Clone* is a tale that enriches and expands the Penumbraverse in ways you never saw coming told by a mysterious narrator with an unexpected perspective on the great puzzles of life Who could it be **Biblionews and Australian Notes & Queries**, 2013 *Sourdough* Robin Sloan, 2018-09-18 From Robin Sloan the New York Times bestselling author of *Mr*

Penumbra's 24 Hour Bookstore comes Sourdough a perfect parable for our times San Francisco Magazine a delicious and funny novel about an overworked and under socialized software engineer discovering a calling and a community as a baker Named One of the Best Books of the Year by NPR the San Francisco Chronicle and Southern Living Lois Clary is a software engineer at General Dexterity a San Francisco robotics company with world changing ambitions She codes all day and collapses at night her human contact limited to the two brothers who run the neighborhood hole in the wall from which she orders dinner every evening Then disaster Visa issues The brothers quickly close up shop But they have one last delivery for Lois their culture the sourdough starter used to bake their bread She must keep it alive they tell her feed it daily play it music and learn to bake with it Lois is no baker but she could use a roommate even if it is a needy colony of microorganisms Soon not only is she eating her own homemade bread she's providing loaves to the General Dexterity cafeteria every day Then the company chef urges her to take her product to the farmer's market and a whole new world opens up

The Printed Book in Contemporary American Culture Heike Schaefer, Alexander Starre, 2019-08-28 This essay collection explores the cultural functions the printed book performs in the digital age It examines how the use of and attitude toward the book form have changed in light of the digital transformation of American media culture Situated at the crossroads of American studies literary studies book studies and media studies these essays show that a sustained focus on the medial and material formats of literary communication significantly expands our accustomed ways of doing cultural studies Addressing the changing roles of authors publishers and readers while covering multiple bookish formats such as artists books bestselling novels experimental fiction and zines this interdisciplinary volume introduces readers to current transatlantic conversations on the history and future of the printed book
