Klan Destine Relationships:

Klan-destine Relationships Daryl Davis,2000 What happens when a black man sets out to discover the roots of racism by spending a year with the infamous and feared Ku Klux Klan Daryl Davis s experiences revealed in this book are both hard hitting and shocking *Good White People* Shannon Sullivan,2014-05-15 Argues for the necessity of a new ethos for middle class white anti racism Building on her book *Revealing Whiteness* Shannon Sullivan identifies a constellation of attitudes common among well meaning white liberals that she sums up as white middle class goodness an orientation she critiques for being more concerned with establishing anti racist bona fides than with confronting systematic racism and privilege Sullivan untangles the complex relationships between class and race in contemporary white identity and outlines four ways this orientation is expressed each serving to establish one s lack of racism the denigration of lower class white people as responsible for ongoing white racism the demonization of antebellum slaveholders an emphasis on colorblindness especially in the context of white childrearing and the cultivation of attitudes of white guilt shame and betrayal To move beyond these distancing strategies Sullivan argues white people need a new ethos that acknowledges and transforms their whiteness in the pursuit of racial justice rather than seeking a self righteous distance from it *Confronting Right Wing Extremism and Terrorism in the USA* George Michael,2003-09-02 This book examines the response to right wing extremism in the US from both the government and non governmental organisations It provides a detailed portrait of the contemporary extreme right in the US including interviews with several of the movement s leading figures from groups such as the Ku Klux Klan Militias American Renaissance and the White Aryan Resistance The author also explains how the activities of these racist groups have been curbed due to the campaigning efforts of anti racist and anti fascist watchdogs who have helped to shape and influence government policy *A Companion to African-American Philosophy* Tommy L.
