

## JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

[Adapted from *The Juice*, January 2020]

### QUESTIONS: TEXT F

- 5.1 Refer to line 1.  
Provide a synonymous phrase for 'on many fronts'. (1)
- 5.2 What is the function of the hyphen in 're-evaluate' (line 2)? (1)
- 5.3 Rewrite the following sentence in the passive voice.  
'If something or someone doesn't bring you joy, it's pretty pointless carrying on with it' (lines 2–3). (1)
- 5.4 Remove the redundancy in paragraph 1. (1)

*House of Commons - Finance and Services Committee: House of Commons Financial Plan 2014/15-2017/18, Including Draft Estimates for 2014/15 - HC 754* Great Britain: Parliament: House of Commons: Finance and Services

Committee,2013-10-23 On 20 March 2013 the House agreed changes to Standing Orders Nos 144 and 152D that require the Members Estimate Committee to agree the Estimate for the House of Commons Members before it is laid by HM Treasury and require the Finance and Services Committee to prepare that Estimate with the assistance of the Accounting Officer the Clerk of the House For the benefit of the House this report summarises the evidence that has been considered by the Committee and sets out its provisional advice to the Commission and the Members Estimate Committee on the 2014 15 Estimates for Administration and Members respectively This is the second year that the Committee has published such a report On 8 November 2012 the House of Commons debated a motion to endorse the draft Administration Estimate for 2013 14 and it is the intention of the Committee to seek an opportunity for a similar debate this year Catalogue of the Public Documents of the [the Fifty-third] Congress [to the 76th Congress] and of All Departments of the Government of the United States United States. Superintendent of Documents,1896 *Information and Communications for Development 2018* World Bank,2018-11-08 The Information and Communications for Development series looks in depth at how information and communications technologies are affecting economic growth in developing countries This new report the fourth in the series examines the topic of data driven development or how better information makes for better policies The objective is to assist developing country firms and governments in unlocking the value of the data they hold for better service delivery and decision making and to empower individuals to take more control of their personal data We are undoubtedly experiencing a data revolution in which our ability to generate process and utilize information has been magnified many times over by the machines that we increasingly rely upon This report is about how the data revolution is changing the behavior of governments individuals and firms and how these changes affect the nature of development economic social and cultural How can governments extract value from data to improve service delivery in the same way that private companies have learned to do for profit Is it feasible for individuals to take ownership of their own data and to use it to improve their livelihoods and quality of life Can developing country firms compete with the internet majors on their own turf and be even more innovative in their use of data to serve local customers better Though the report is aimed primarily at government policy makers it also has great relevance for individuals concerned about how their personal data is used and how the data revolution might affect their future job prospects For private sector firms particularly those in developing countries the report suggests how they might expand their markets and improve their competitive edge For development professionals the report provides guidance on how they might use data more creatively to tackle long standing global challenges such as eliminating extreme poverty promoting shared prosperity or mitigating the effects of climate change The report s chapters explore different themes associated with the supply of data the technology underlying it and the demand for it An overview chapter focuses on government use of data and presentation of definitions Part I of the report then looks at the supply side of the data sector with chapters on data connectivity and capacity where data comes from how it is stored and where it goes

and data technology specifically big data analytics and artificial intelligence and how this is contributing to development Part II looks at the sector s demand side with a chapter on people s use of data and another that examines how firms use digital platforms in the data economy and how that contributes to competitiveness Part III brings together the policy implications for developing country stakeholders with a chapter considering government policies for data including data protection and privacy A closing Data Notes appendix looks at statistical indicators associated with the use of data and presents the 2018 update of the Digital Adoption Index DAI a composite indicator introduced in the 2016 World Development Report Digital Dividends
