They say Hindsight is 20/20 and as such readers can now see those events in the context of their times and not the context of a politically charged opinion piece. Here and now readers can view the entire American experience in Iraq from President Bush Sr's 9/11/90 address to Congress in which he declared the start of a New World Order through the wars, the inspections, the repeated air campaigns, the failed diplomacy and finally to Saddam's capture. There are also specific sections showing never before seen timelines of The Ignored War over the No Fly Zones in Iraq and the growth of Al Qaeda in the New World Order. Events which continue to be viewed in a political perspective had a historical effect and not just a political effect.
