My Secret Life, Volumes I to III Anonymous Anonymous,2019-09-15 Excerpt I began these memoirs when about twenty five years old having from youth kept a diary of some sort which perhaps from habit made me think of recording my inner and secret life When I began it I had scarcely read a bawdy book none of which excepting Fanny Hill appeared to me to be truthful that did and it does so still the others telling of recherche eroticisms or of inordinate copulative powers of the strange twists tricks and fancies of matured voluptuousness and philosophical lewdness seemed to my comparative ignorance as bawdy imaginings or lying inventions not worthy of belief although I now know by experience that they may be true enough however eccentric and improbable they may appear to the uninitiated Fanny Hill was a woman s experience Written perhaps by a woman where was a man s written with equal truth That book has no bawdy word in it but bawdy acts need the bawdy ejaculations the erotic full flavored expressions which even the chastest indulge in when lust or love is in its full tide of performance So I determined to write my private life freely as to fact and in the spirit of the lustful acts done by me or witnessed it is written therefore with absolute truth and without any regard whatever for what the world calls decency Decency and voluptuousness in its fullest acceptance cannot exist together one would kill the other the poetry of copulation I have only experienced with a few women which however neither prevented them nor me from calling a spade a spade **My Secret Life** Leanne Waters,2015-01-08 In this non fiction story of struggle and grief My Secret Life A Memoir of Bulimia

details one teenager's battle with Bulimia Nervosa After years of bullying Leanne Waters examines the development of her illness and looks closely at the psychological foundations of this ambiguous disease It is a first hand account of a secret world that lurks behind closed doors in daily life A penetrating insight into the mentality of a Bulimic the story follows Waters downfall from a high achiever with tremendous potential to a shadowed breath of her former self **The Early Diary of Anaïs Nin, 1923-1927** Anaïs Nin, 2014-09-02 A revealing look at the life of this extraordinary and unconventional writer during the mid 1920s The New York Times Book Review In this volume of her earlier series of personal diaries Anaïs Nin tells how she exorcised the obsession that threatened her marriage and nearly drove her to suicide Through sheer nerve confidence and will Nin made of the everyday something magical This was a gift indeed and it's a fascinating process to witness The Christian Science Monitor With an editor's note by Rupert Pole and a preface by Joaquin Nin Culmell *My Secret Life* Walter, 2006 Although a fictional biography Early Memories provides an insight into the grim world of Victorian prostitution Colored by fantasy and sexual debauchery this graphic account has long been hailed as a valuable insight into the reality of those times My Secret Life was first printed in a private edition of 11 volumes beginning around 1888 Later attempts to publish the work commercially resulted in it being repeatedly banned as obscene and pornographic In 1932 for example a New York publisher was arrested for issuing three volumes It was finally issued successfully by Grove Press in New York in 1966 It wasn't until 1994 that the work in its entirety was published *My Secret Life* Gershon Legman, 1966

My Secret Life Walter, 1995 This long suppressed work of 19th century erotica recalls in detail the amorous encounters of its author on his travels across Europe It also reveals the other Victorian world one of sexuality and desire and the unbridled passions of men and women breaking the bounds of controlled society *The early diary of Frances Burney, 1768-1778* Frances Burney d'Arblay, 1907 *The Early Diary of Frances Burney, 1768-1778* Fanny Burney, 1889 **A Last Diary** W.
