My Love For God:

Jesus My Valentine Henrietta Hunter, 2019-05-07 The greatest gift the world has is God's love for us. The love God has for us precipitated God sending us Jesus to bring us back into a loving fellowship with him. With all the hate, evil, and pain that exist in the world, humanity cannot forget the power of love and the sovereignty of God. God is love, and since God is sovereign, love still reigns not only in the hearts of men and women but in the heart of God, and it is inextricably interwoven within our salvation story. Our Christian salvific story is one of love; it is a narrative of love. We were made to love and made to be loved. We were made in the image of God, and God being love denotes we were made to love, be loved, and desire a relationship with those we love. God desires a relationship with us because he loves us. The love of the Father is manifested through the deeds of Jesus Christ in the Father's desire to be back in relationship with his creation. The love God has for his creation must be dramatized and visualized in how we love one another and relate to those we love. God's will need to be done on earth as it is in heaven. Henrietta Hunter's *Jesus My Valentine* explores how interconnected the love we experience in our personal lives is to the romantically, platonically, and to our love for God. She demonstrates this by outlining how the love and passion that the lover in *Songs of Solomon* possesses for his love is an extended analogy to God's love for us and how God's people ought to pursue him as their lover. Her work calls readers to experience God's love through the way we experience love with others reciprocally; the way readers experience love with one another is the same way readers are to experience being in love with God. Henrietta introduced the magnitude of love on a horizontal level, which is eye level, a level a reader can grasp, and then raise our spiritual consciousness to above eye level, which is a vertical love. *Jesus My Valentine* argues both are necessary to truly make Jesus our valentine. It is when Jesus becomes our valentine that we come to know true love and the true meaning of true love, realizing it is impossible for Jesus to be your valentine without the love of people and the people without Jesus being your valentine is not possible. Henrietta's journey within *Jesus My Valentine* takes us from the historicity of Valentine's Day to the evolution of how we contemporarily celebrate Valentine's Day. She matriculates from a historical view of Valentine's Day to a theological view of Valentine's Day, moving from an anthropocentric human view of love to a theocentric God view of love. *Jesus My Valentine* calls readers to replicate the wooing they extend on Valentines for their lovers to how readers approach and love on Jesus. Henrietta outlines how readers are to love Jesus and make him their valentine in very practical ways. If you asked Henrietta how to make Jesus your valentine, according to this text, she would suggest it is like the way a wife knows her husband and the way a husband gets to know his wife. It is a love that comes from a knowledge that is only generated by living together by responding to each other's daily interests and by the needs and by listening and being present. *In the Image of God* Shirley Mayhood, 2022-05-02 We were created in the image of our Creator. It was a perfect and loving relationship, but when Adam and Eve chose evil over that relationship with their Creator, that image of God we were created with was lost to us. In our world today, many Christians are more attuned to the world than to God's Word. Many seem to have

the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God's amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father's law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451 **God's Love Is Perfect** Diane Mary Markey, 2022-10-08 GOD IS LOVE GOD LOVES YOU He Really and Truly Does My short devotional and inspirational stories share my love for God the Father And His Son Jesus Christ our Lord God's Love is gently felt in the sunshine His love is painted in the delicate hues of the rainbow God's love is heard in the melodious and harmonious notes of birdsong We are all surrounded by God's Healing and Comforting love My short stories share and demonstrate His love for You and me I hope and pray that you feel God's love deeply as you read my words They were written primarily for you dear one Your friend in Jesus Diane Mary Markey *The Catechism Explained* Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven Preface *Life Is A Journey Of Love* Diane Mary Markey, 2023-01-04 This is the third book I have created about my love for God the Father and His Son Jesus our Lord and Saviour This book contains sixty short stories that I have sectioned into Stories on God the Father Stories on Jesus Christ Stories on God the Holy Spirit Stories on God Reflected through Nature My stories are all written from the heart and have many images which make them all so much more interesting I feel my stories bring God and Jesus more real for people Jesus loves us all and His love shines through my writings Enjoy my book and share it around Diane *The Love of God* Oswald Chambers, 2015-03-31 This deeply scriptural spiritually practical book by Oswald Chambers explores the difference God's love makes both in this world and in our lives You'll discover a greater
