In addition, the Tokyo city, capital of Japan, is one of the busiest cities in the world. It is modern and extremely crowded; however, it still has a lot ancient temples. One more thing that I am interested in Japan is special style of fashion. I believe that Japanese has their own unique style which cannot be found elsewhere in the world. You never know what kind of ideas they are going to come up with, or what they are going to put on their clothing, and what kind of hair style they are going to set up. Finally, Japan technology, which is in very high position, is usually among top 3 in the world. They have created a lot of things which are helpful and durable like cars, cameras... To me, Japan is a nation where you can experience old traditions and high-technology all in one. This country is full of mysteries and I will discover them. There are some of the reasons that make Japan my dream vacation destination.
