**Benny on the Case** Wesley King,2025-04-15 A boy with Mosaic Down syndrome navigates entering a mainstream classroom making new friends and standing up to bullies all while trying to catch a thief and save his home in this thrilling middle grade mystery from New York Times bestselling and award winning author

Wesley King Benny isn't your average boy from Newfoundland. He lives in a retirement home that his mother runs; he has an eighty-six-year-old best friend named Mr. Tom; he knows more about fixing boats than video games; and he has Mosaic Down syndrome. When Benny transitions to a mainstream classroom for the first time, the other students tease him for his differences, except for Salma. She's new too and not your typical Newfoundland girl: she's tech-savvy, speaks Arabic, plays basketball, and isn't afraid to eat lunch with Benny. So when Salma's grandmother and several other residents in the retirement home are robbed, Benny asks Salma to help him catch the thief. Time is not on their side as an inspector threatens to close the home. And to make matters worse, Benny and Salma must crack the case while working on a class assignment with their bullies. Can Benny save his home and take a stand against the bullies once and for all? He's about to find out by

**Translating Dissent** Mona Baker, 2015-10-30. Written by the winners of the Intranews Linguists of the Year award for 2016. Discursive and non-discursive interventions in the political arena are heavily mediated by various acts of translation that enable protest movements to connect across the globe. Focusing on the Egyptian experience since 2011, this volume brings together a unique group of activists who are able to reflect on the complexities, challenges, and limitations of one or more forms of translation and its impact on their ability to interact with a variety of domestic and global audiences. Drawing on a wide range of genres and modalities from documentary film and subtitling to oral narratives, webcomics, and street art, the 18 essays reveal the dynamics and complexities of translation in protest movements across the world. Each unique contribution demonstrates some aspect of the interdependence of these movements and their inevitable reliance on translation to create networks of solidarity. The volume is framed by a substantial introduction by Mona Baker and includes an interview with Egyptian activist and film maker Philip Rizk. With contributions by scholars and artists, professionals and activists directly involved in the Egyptian revolution and other movements, *Translating Dissent* will be of interest to students of translation, intercultural studies, and sociology, as well as the reader interested in the study of social and political movements. Online materials including links to relevant websites and videos are available at <http://www.routledge.com/cw/baker>. **The Frightened Ones** Dima Wannous, 2020-08-25. Finalist for the 2018 International Prize for Arabic Fiction. A timely and haunting novel from an exciting new voice in international literature, set in present-day Syria. In her therapist's waiting room in Damascus, Suleima meets a strange and reticent man named Naseem, and they soon begin a tense affair. But when Naseem, a writer, flees Syria for Germany, he sends Suleima the unfinished manuscript of his novel. To Suleima's surprise, she and the novel's protagonist are uncannily similar. As she reads, Suleima's past overwhelms her, and she has no idea what to trust: Naseem's pages, her own memory, or nothing at all. Narrated in alternating chapters by Suleima and the mysterious woman portrayed in Naseem's novel, *The Frightened Ones* is a boundary-blurring, radical examination of the effects of oppression on one's sense of identity, the effects of collective trauma,
