*MY SEVERAL LIVES: MEMOIRS OF A SOCIAL INVENTOR. BY JAMES BRYANT CONANT.* James Bryant Conant, 1970

**My Several Lives** James B. Conant, 2013-03-01 Bonded Leather binding     My Several lives, 1970     **Man of the Hour** Jennet Conant, 2017-09-19 Gripping an outstanding portrait The Wall Street Journal of one of the most influential men of the greatest generation James B Conant a savvy architect of the nuclear age and the Cold War told by his granddaughter New York Times bestselling author Jennet Conant James Bryant Conant was a towering figure He was at the center of the mammoth threats and challenges of the twentieth century As a young eminent chemist he supervised the production of poison gas in World War I As a controversial president of Harvard University he was a champion of meritocracy and open admissions As an advisor to FDR he led the interventionist cause for US entrance in World War II During that war Conant oversaw the development of the atomic bomb and argued that it be used against the industrial city of Hiroshima in Japan Later he urged the Atomic Energy Commission to reject the hydrogen bomb and devoted the rest of his life to campaigning for international control of atomic weapons As Eisenhower s high commissioner to Germany he helped to plan German recovery and was an architect of the United States Cold War policy Now New York Times bestselling author Jennet Conant recreates the cataclysmic events of the twentieth century as her grandfather James experienced them She describes the guilt fears and sometimes regret of those who invented and deployed the bombs and the personal toll it took A masterly account a perceptive portrayal of a major player in world events throughout the mid twentieth century Publishers Weekly Man of the Hour is based on hundreds of documents and diaries interviews with Manhattan Projects scientists Harvard colleagues and Conant s friends and family including her father James B Conant s son This is a most serious work well written and evocative of an era when the American foreign establishment exuded gravitas a new relentless and personally invested account The New York Times Book Review     **Scholarly Leadership in Higher Education** Wayne J. Urban, 2020-04-02 Urban provides an intellectual history of Harvard presidency of James Bryant Conant 1933 1953 situating it within the broader international landscape and drawing out the implication for the current state of higher education with reference to specific leadership policy issues in the sector Throughout this volume Urban explores the ways in which Conant achieved largely successful attempts to modernize Harvard by upgrading both its student body and its faculty He explores the intellectual excellence agenda that Conant pursued both with students and academics and the ramifications of this He also considers the nature of Conant s part time handling of the role of president the way he delegated campus control to his Provost Paul Buck and the ways the two operated together and separately Urban also looks at Conant s own intellectual breadth as scientist and humanist which showed itself prominently in his activities in pursuit of general education reform Conant s combination of intellect and agenda was unusual for a president in his own time and is exceedingly rare if not completely missing in contemporary university presidencies In exploring this innovative president s time in office at Harvard Urban offers pertinent
